Helping Oklahoma Farmers Succeed

Confidential farm planning services for all Oklahoma farmers and ranchers

IFMAPS gives insight on what to expect in the coming years.
Blaine County

“IFMAPS gives insight on what to expect in the coming years.”

“It helps individuals look at their overall program and see what pays and what does not.”
Bryan County

“The information received was very important in establishing future plans for my farm operation.”
Harmon County

“I think this program is a real plus to us. It makes farmers and ranchers sit down and figure out what is working in their operation”
Roger Mills County

“The IFMAPS program is good... I think all farmers should plan yearly and when expanding.”
Washita County

“I think it’s a tool all of us in production need to use. It puts it on paper to see, what a lot of us assume we know. I appreciate what you are doing.”
Woodward County

**IFMAPS** is

A service provided by trained specialists who work with individual farm and ranch families in developing sound financial plans.

**IFMAPS** is used by

Producers considering a change in their operation as well as those simply wanting to get a better handle on their finances. The program provides assistance for farm and ranch families to:

- Accurately evaluate the financial status of the agricultural business.
- Identify and assess the options available to the family and business to improve a financial situation including:
  - Adding new enterprises.
  - Expand an enterprise.
  - Lease or purchase assets.
  - Change marketing strategies.
- Analyze the impacts of adding a second generation to the farm business.
- Certify plans for Oklahoma Agricultural Linked Deposit Program loans.

**IFMAPS** cost

An upfront fee of $200 is required prior to the first meeting to cover the cost of the initial consultation and data-gathering session with the IFMAPS specialist, plus travel expenses. An additional $300 payment is required upon completion of the budgets, financial statements and follow-up consultation, if the case requires fewer than 15 hours to complete. The specialist will estimate the expected completion time during the first meeting. Analysis of more complicated cases or evaluation of alternative plans will be assessed a supplemental hourly charge of $50 per hour for plan development, analysis and discussion.
